Silver exterior With cocoa dune interior. I will call dealers but that seems like a rare combo as most interiors I have seen with silver are black.

They did have black exterior with cocoa mahogany interior with 2nd row bench

Bentley can be picked up Saturday if you would like

Received news today that there are no 2016 suburbans with black exterior cocoa dune interior with 2nd row bench. Of the original two identified one was damaged and the other was sold.

Two options:

- A) build new 2016 suburban and it will be delivered in Florida in 6 weeks
- B) wait and build 2017 suburban which is middle to end of October time frame. Still waiting on more precise dates.

Please advise on 2016 or 2017 suburban and Bentley.
Thank you.
