Hi Richard,

The answer is simple. It has been a difficult time. I have not been in a position to. However I have been working on a potentially very exciting deal which should enable me to clear this when it happens. I will certainly be in touch with you immediately that's the case. I hugely appreciated J's help and can't wait to have this matter concluded.

Best wishes,

Mark

Hi Richard

Many thanks or your good wishes for the New Year which are most warmly reciprocated. Forgive my tardiness in replying to your email of yesterday. My only hesitation in not doing so, was that I wanted to have some clear and precise information to give you. I told you in good faith on Dec 30th that I was awaiting the AWBN as I had been assured that the draft was shortly on its way. I am still trying to find out what the delay is and get some accurate timing and the tracking number.

As I informed JEE, you will both be immediately informed as soon as I have this.

As ever,

Mark
