Marc –

See attached calculation for an example of an AOG exchange (Aug 2015).

Let me know if you have any questions.

Subject: TRA Valuation Process

Marc,

Please see below for how the deferred tax asset ('DTA') and tax receivable agreement ('TRA') is calculated as well as the key inputs into the computation. I tried to simplify as much as possible but obviously a complex calculation. Please let me know if this is sufficient or if you need more. We have example detailed calculations if you would find that useful.

Each exchange related to the TRA is valued using a multi -step process described below

The TRA is valued as 85% of DTA that is created as a result of an AOG exchange. The DTA is calculated as:
