Dear Friends,

Last years Halloween party was a total sell out at Oceana! This year we are adding seating for 60 more guests to accommodate the many people who wanted to attend. We have a great DJ and the menu and wine will be even more amazing. I guarantee that our auction items will surpass last year in excitement. In fact, I will be donating a rare brand new Rolex stainless steel Daytona cosmograph. (virtually impossible to find in stores). Please come out and support the Trust again by purchasing a table, or an individual seat and an Advertisement in our gala book. I have attached the reservation form. Remember tables go very quickly so please reserve soon. Your support for this important community institution dedicated to preserving our history, is deeply appreciated.

Warm Regards,

Filippo
