Importance: Normal

Look at this idiotic email chain where Gary's lawyer says he tried to return his call a few times. Doesn't Phil get a message?

And it's Gary's Lawyer's understanding Gary and I may have spoken? Who told him that? Gary? My brother would not answer all his phones or return emails. What misinformation.

Not what do I do to get the rest of the money?

I have told Philip that Gary is not honest and not smart and he needs to move ahead asap for the rest of the money.

Phil, in his mind thinks there should be a fair settlement...I am not so interested in fair.

Please advise.

Having a lovely time in Turkey.

Thank you from the bottom of my heart for getting me this far. This is a life saver to date.

At least Gary knows we are on his case...but I believe all the messages from you...who he is terrified of made him send that first check. Gary was always fearful I would sic you on him. We need to keep the pressure on and get the rest asap.

Please advise. xoxo Peg

I suspect this email crossed the prior email response. See below - I just cut and paste it to this email.

Dear Phil:

My client just informed me that a check for \$800,000 was mailed via overnight mail on July 25 and signed for by her doorman on July 26, at 7:30 am.

Please check with your client regarding this.

Eric
I have not had any calls from you or Mr. O'Reilly. We know that the NJ home has been sold and possibly the Fla apartment. To the best of my knowledge the clients have not spoken.
Assuming that the cash is available, we are requesting an immediate distribution now. We are prepared to have Peggy sign an appropriate receipt for the funds.
Please let me know the timing as soon as possible.
Thanks
Phil

Dear Phil:
I am not sure where the mix up is, but I tried to return your call a few times, and I understand that my colleague Neil Orally may have also reached out to you. It is my understanding that Peggy and Gary may have spoken. In any case, Gary is in the process of making that distribution. I do not know the exact timing of that distribution, but it should not be too much longer. Peggy will, of course need to sign a receipt for the funds.

Eric
I represent Peggy Siegel. We sent you the appraisal regarding the jewelry a number of weeks ago. I have left a number of messages for you. Please call me to discuss the payment to my client of her pre-residuary bequest of \$800,000.

If you are not the attorney handling this estate, please forward my email to the handling attorney.
Thank you.
