Hi, i visited very nice office on [REDACTED] Champs Elysees. we can take it for 3 months with possibility to continuous stay till 3 years.

with all furniture inside,
with front desk service included,
cleaning included, electricity,
access to office with security 24/24 7days per a week.
taxes are included as well.

All international companies take it, you can stop any day or continuous as long as you want.

Not included: internet+tel= 110€ per a month

logo of the channel outside 40€ per a month.

i need one tv + 2 computers +tel-fax (1100+1800x2+ 200)

secretary is for free. if we need scout, we need to pay him.

Price of the office 33m2: 5199€/month, if we take 6 months the first month is free.

Second office at the same place 21m2 is 3799, much smaller but its cute.

On the video you can see 33m2 office, they will put furniture inside.

I would like to take from 1.09.12

Extra budget for people channel will give.

For this i need: no extra problems and papers, just deposits them 3 months rent(after they give it back when you move out) + every month payment.

What do you think?????

looking forward for your answer

Best regards,
