That was poop-poops graduation. The wedding fell on a weekday with a wedding party dinner on Tues. I closed Monday, I slept one hour, flew out on Tues am, wedding events began until midnight Thurs night, I flew back Fri and today i am unpacking / finishing stuff that's been on the back-burner for several weeks as I've been so exhausted with days off split (not all always though) and getting over a sinus infection.

Here is the previous week schedule. The pink begins the time off requested which totals 5 days. 3 days fall into "weekend" as the work week here is split by Wed, not Monday.
