He is not. He heard that you were coming and jumped on th first plane. We did the paris- abidjan flight together i only saw him once we were at the salon and i NEVER mentioned that you were coming. He heard and because he is pretending to everyone that you know each other pretty well he tried to take the permits in charge, telling the general i was speaking with that he was the person to talk to. I made it clear that it wasn't

Hello Jeffrey,

It really as you like and prefer.

The most important appointment (for me) is with my uncle so it's totally fine if you want to come tuesday mornin, as long as you're sure to be here by 1pm.

So if the friend is coming friday here does that mean you're staying until friday or you're still leaving on the 18th?
