Importance: Normal

i am referring to our conversation on the plane. you proposed help with internships in order [REDACTED] to waste time and better get knowledge in international work - you were right - you said it is super easy for you given your contacts but then nothing happened. its absolutely fine, i dont need anyone's help then; sooner or later i get to UN myself, just like i did with [REDACTED] and if you want us to meet terje i dont see the reason. you are the best blow job teacher anyway

untill when you are in this city?
