Centurylink screwed up order again !!!
They did not order the cards for the equipment on Sandia
Therefore as of date local loop is not complete

Rich

Have been advised by Centurylink local,
National division will not provide expedite date or cost until local loop is up and running, expected date for that is 8/2

Sierra Nevada just informed me box for Sandia was on a truck for install Tuesday or Wednesday but the crew did not have a service order to proceed !!!!

I have Requested contact information for National Group Representative

Will update Monday
