Collecting cool brands that make expensive clothes to rent out could be a cool idea. Most people can't afford a Valentino dress to wear just for an occasion and wouldn't buy at that price something that looks to fancy. People who don't want to be photographed at an event twice with the same outfit... If you create an e-commerce that rents beautiful clothes from european designers to bloggers, people, films ( but selected) with an office/show-room based in NY. What do you think ?! A sort of Net-a-porter but to rent
