Hi Jennie,

Been having trouble with my email so I don't know if you received my reply yesterday.

The question to ask is, "Do we want/need life insurance for the rest of our lives or just for a certain time period?" When we initially met, you were very pro having coverage, at least some, that would cover you indefinitely to give you and Dangene added leverage. You should have in your portfolio some coverage that will stay with you forever.

Let me know your thoughts or if you would like to meet to further discuss, that would work too.
Alan
