I am here (in SF) March 16-20. Let me know you guys are coming and I will block my calendar. Would be GREAT!

Boris, I will be up to Seattle in next couple months probably to brief Bezos on progress and meet with other folks, but no date yet. Will let you know.

I'm not presently planning on going to TED (when is it?).

Somehow I knew that you two would get along and have great discussion.

Philip – I was talking to Jeffrey about possible March 18 or 19. Are you around at that time (any time between 16th and 20th)?

Also Philip let me know when you are in Seattle.

Are you planning to attend TED this year?

So much looking forward to seeing you!

Jeffrey! What a great phone call. Would love to get together and talk more about money, beauty, or pretty much anything else. Boris, thanks for connecting us. Let me know if, indeed, you guys want to come to town in the next couple months. That would be so much fun.

Philip meet Jeffrey – Jeffrey meet Philip!

I think that both of you will great enjoy talking/meeting. Both of you are actively working on virtual currency and making money from a virtual world/or virtual transactions. Also there is a strong connection to sex – either virtual (Jeffrey – a significant part of the second life was virtual sex) or real (unfortunately I am not referring to myself) ;)

Philip – Jeffrey is my great friend and a family.

It is somewhat time sensitive so it would be great if you two can talk sooner.

I really wish that I could be at the first meeting but considering that I am traveling starting this weekend and that my schedule next week is horrible.

Perhaps we could find some time in February or March that Jeffrey and I visit Philip in SF. Nonetheless, I would urge you to connect and talk before.

Have fun!!!
