My dearest Davos Concierge,

I hope that you now understand what I am going through as it is so hard getting a meeting with Bill – it usually takes 1.5 year wait.

Your plan sounds good but now there is a logistic question – how can I meet him tomorrow before a dinner? I do not have his number but of his assistant who is sticking to the protocols.

I will ask for that and if you can also facilitate – within 5 minutes I can explain, get a sense from him as well let him decide.

Please let me know

Boris

my suggestion is that you send him the details of the dinner, tell him that I thought he would have fun, tell him who will be attending, and that you hope he can make it.. let him decide my friend said he is looking forward to meeting you. so now let him make the decision. thanks, sorry for the trouble.. your truly,, the davos concierge.
