I agree,. It is what it is,,  
If you can do that at some point I'd appreciate it,,  
I've been frustrated with his delays,, now the pricing,,that should have been given up for approval long ago,. If I  
would have waited for his pricing,. Absolutely nothing would be done at this point,,  
He's almost done now,  
I can't wait to ship this project to STT,,and get it in operation.

Thx  
Larry
