you have become careless with your health , and now my health. AGAIN. !!!!!!! I have spent the past hour canceling meeting that have been set for months. . and it is solely as a result of you not taking my directions seriously. you are very special to me. . you are not taking care of yourself. nor me. I would never put you at risk. never.

I am very very disappointed that you would not be super careful and stay home the moment you begin to feel odd taking things to hide the symptoms until it is too late is not fair to me
