In fact... there is those Man "[REDACTED]".
I met him with [REDACTED], they are seems to be olds friends.
I don't know how but he has got my phone number.
And since that, he can't stop calling me, ask me for travels with him, restaurant, shopping or some things like that.
I told him many times "no", but he don't understand because he send me some message like "why? why don't you answer my sms? See you at 8:00 pm." and blablabla.
but is not finish, I tried to move [REDACTED] away from me once but he failed, and since [REDACTED] came back to [REDACTED], he tried again and succed with lies.
I tried to arrange this situation by my self, but it doesn't work and now I don't know what to do... I am a little scared... for me, my future...
Sorry to have hidden this from you.

For your call, I didn't heard my phone because I forgot to remove the silence mode.
