Richard,

We have a seller checking us on 25,000 shares which is a sizeable amount for this name.

The indicated seller cares around the 28.50 EUR level. The stock is currently 28.42 x 28.50.

Please let us know as soon as possible if you would like to try to buy or you want to counter with a lower bid.

Thank you.

Best regards,

Delores Rubin

Good Morning Richard,

It is another very quiet trading day for Rothschild.

We have not had any institutional interest expressed yet, but we would still like the opportunity to work an order for you.

As I stated, a market for the type of size you are looking for is more risk than we can take on.

The stock has been trending higher since December after breaking through the 22 EUR level. After pushing through 27 the stock keeps bouncing in this range of 27.80 to 28.30.

Despite the low volume, we may have luck with a working an order on a limit. Please let us know if you would like to pursue that option.

Thank you.

Best regards,

Delores Rubin

Hello Richard,

We are unable to make a market in that size and as I stated last week without knowing if you are a Buyer or Seller we would not get a response from any of institutional clients we know care in the name.

If you have an ultimate limit on either side, we could work an order for you.

Best regards,

Delores Rubin

Good Morning Richard and Tazia,

In the event you still care in Rothschild, volumes continue to be around its average of 15,000 shares a day over the past week, but a few local houses have advertised sizeable volume that has not been reflected on the tape. ODDO securities has been advertising crossing and trading stock for the past week and EXANE has advertised trading over 100,000 shares in the same time period.

The stock has been in a range of 28 – 28.20 EUR and we would still be happy to work an order for you if it helps.

Best regards,

Delores Rubin

Good Morning Richard,

Very little activity so far today on Rothschild.
Our trader had working orders from two large institutions in the past 6 months. These institutions, if they have something to do would care on the type of size you would like to trade. Our trader would like the opportunity to inquiry if they care, but to be blunt, it is unreasonable to try to open them up without an idea of whether we are a buyer or a seller.

DB would be happy to work an order for you using all of our institutional capabilities.

Thank you.

Best regards,

Delores Rubin

Thanks Rich.

No market on 100k that we're in touch with (DB or agent). Delores will work towards showing a smaller size to try to get a two-way in front of you.

Understand no trade.

Best,
Tazia

Rich –

Closing the loop on today's trading, ROTH FP closed at 28 EUR on 12,414 daily volume.

DB did trade small today, ~ 3,000 shares, split between High Touch and Low Touch which is usually the case for this name. The big International houses generally see Low Touch business, where the boutique houses dominate the High Touch. DB has good relationship with many of these boutique shops that work High Touch orders (as yours would be), so let us know if [REDACTED] like to discuss further per my prior note about working smaller size.

Speak Soon,

Tazia

Rich - Just tried calling you. Please call Delores directly if you have follow through on this at 212-454-3300.

As team relayed, DB isn't (nor are we in touch with as agent) a marker maker on a full 100k shares. But, Delores has market color and guidance on a market if you portion out that size and can help facilitate.

Remember the market closes in Paris at 11:30am.

Tazia

Hello Richard,

Sorry for the delayed response. I am one of the DB traders here in the US. I have been communicating with our team overseas on your inquiry.

As Tazia mentioned, Rothschild is a light trading name. Our DB Institutional desk has not had any natural flow in this stock in the past few months, but a few clients that have expressed some interest in the name so we have calls out to ascertain if we might be able to put together something.

The stock is currently 27.85 EUR x 27.95 EUR with only 4,000 shares that have traded. Average volume for this stock is 17,000 shares.

We will be back to shortly with more insight.

Best regards,

Delores Rubin
