Got it...OK...I'll send you a few things...I would love to add antiques (wasn't sure how far to go)...so I'll send you some ideas for those as well...morrocan tile would be fantastic!

Re: the rope, no problem in the tropics...

The models are helpful to see scale and layout...we've modeled the furniture very simply so that we can sketch over them when we meet...I'll go ahead a model Cabana 2 today...knowing the furniture selections are being revised...

My best,
Amy

maybe moroccan instead of balinese. more refined, though primitive. paint schemes are also part of project. and maybe we do morrocan tile in bath? It should look primitive but sophisticated, . too african too predictbale
