Jee is almost always right ;)  
THANK YOU  
I just need to accept that.

I have now one another very high profile deal.

However, I do have a problem – David did not sign last week the agreement – which essentially gave him what he wanted 50% of two deals. Now I think he will try to go for my deal. The loan should default – yesterday.  
Talking to BGI and Gunderson.

I hate that another summer of mine is spent like this.
