It's same old stuff. You've become an evergreen story. In fact, nobody believes he does any work anymore--he just recycles gossip chestnuts. And nobody takes him seriously, so unlikely that this will get further pick-up. But certainly don't respond. And fuck him.

Just to be clear, the story I intend to publish tomorrow will state that Jeffrey Epstein is not letting his conviction for soliciting a teenage girl interfere with his debauchery.

The billionaire money manager -- and registered sex offender -- is importing his playmates from Russia, sources say.

A recent visitor tells me Epstein has a houseful of young women in his East 71st Street mansion. "Half of them are from the former Soviet Union and the other half are a mix of Americans and Europeans," said my source.

While all the women appeared to be at least 17, the age of consent in New York State, they were all several decades younger than 63-year-old Epstein, the visitor said.

Epstein apparently has contacts in Moscow who find the young women for both Epstein's "orgy island" in the Caribbean and his Manhattan townhouse.

One procurer, Peter Listerman -- who introduced Oksana Grigorieva to Mel Gibson and Irina Shayk to Cristiano Ronaldo -- says on a YouTube video: "I'm not a pimp, just matchmaker."

Listerman, or a dead ringer in an Astrakhan fur hat, was photographed entering Epstein's mansion in January.
