You would need to put a \$ figure on the table before sigrid/boies would ok mtg
Otherwise all the risk is to vr
Even without a promise of \$ once you ask for mtg she knows you fear her testimony and will be in their cross
hairs especially if wexner is not
Thats if tonja can create a legal framework preventing her for speaking writing about mtg

You will need to include sigrid or boies and construct a legal framework where any mtg is confidential
Brad will worry about conflict
Lots of distrust given dersh filing on boies
And she would need to think there is a strong upside given her claims - repeated - of being afraid, etc
