back at ya.. an advance copy of my sci am article...

my scientific article on black holes, which I think could be a game changer, is something I will finish this week I hop..

it is nice to have an impact inspiring a young person isn't it? Should I write to her to congratulate her?

Hey Jeffery,

I thought you might be interested in reading a paper that I recently wrote with my boss at LIGO. It is currently under review for the Classical and Quantum Gravity journal.

Best,
Alexa
