Hi Jeffrey,

I am better, much better... I have decided to stay in Paris. It was becoming to complicated with Moscow. Finding a nice apartment near park, baby sitter for my older one is not easy. And I have found a doctor in the hospital near by that I like. We are now discussing my birth plan and if everything can be executed then I will be happy to stay and deliver in Paris. Moscow still remains my back up plan.

How are you? How long you in Paris for?

V.
