We are still waiting on Anna STT quote for fencing.

In researching fencing and speaking with 2 US vendors we learned the following:

- a) 10' fence height is standard (2 weeks to ship) and 12' height or any other height will have to be a custom order (3-4 weeks to ship)
- b) low fencing if desired on sides is typically 3' 6" or 4'
- c) doors if desired on 60' sides can be placed on either side on 60' width

Vendor 1: Hoover Fence

Sold as complete kit which includes the following:

- 10' overall fence height, 60' x 120' perimeter fence = 360 total feet of fencing
- Top and bottom horizontal rails 1-5/8" diameter. Optional mid rail available.
- 3" vinyl coated terminal posts, corner and gate posts.
- 2-1/2" vinyl coated line posts, intermediate posts.
- 9 gauge vinyl extruded chain link fence fabric in dark green or black.
- All fence fittings vinyl coated to match in color.
- Kit includes two 7' high x 4' wide pedestrian gates; gates have welded frames and lockable latches.

Cost: 9,896.00

Windscreens come in all different colors and styles:

- a) open mesh poly plus
- b) vinyl coated polyester
- c) closed mesh poly weave
- d) solid vinyl windscreen
- e) custom windscreen with name / letters..

Attached is link for their **windscreens**

<http://fence-material.com/tecochlife10.html>

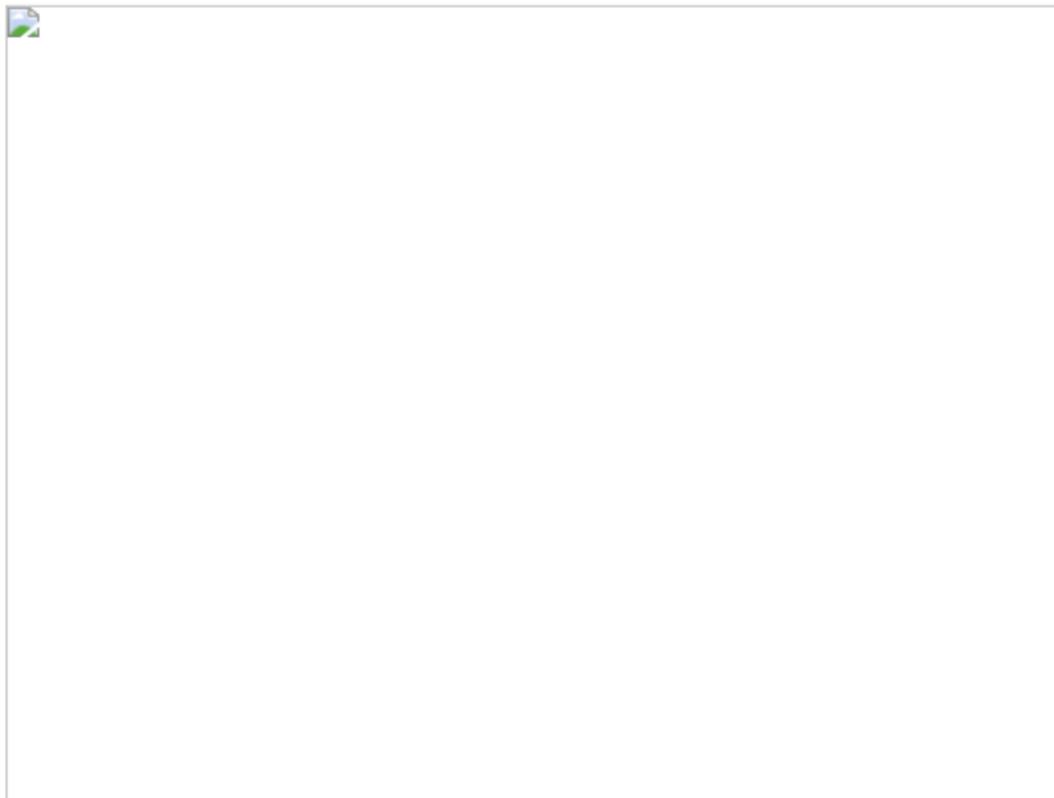

PLEASE ADVISE ON THE FOLLOWING:

- a) color of fence - black or green
- b) height dimensions of fence around court (if we go low on 120' sides do we begin at baseline or service line)
- c) fence height - 10' or 12'
- d) where you would like gate openings on 60' sides (or do not include if we go low on side(s))
- e) windscreens (style, color which sides ?)
