Hi All
PI find attached the answers of Amir Elichai and his team to Nicole's questions. PI read it and comment to all of us.
I'm interested in moving forward with the term sheet and all other aspects. And have to think what other steps we should take to ensure that being probably The manor shareholder of this start up we will be able to lead if necessary and will be well protected against dilutions and the like in the future.
Best to all of you
Ehud Barak
