Jeffrey,

Thanks for your interest and support. Here is:

2017 Extramission Report
2017 Extramission Experiment Plan
2015 report of initial Experiment
My bio related to Vision
My CV

Summary:

Photons come from the Eyes

A dedicated project is needed to have a chance of finding Coded photons from the eyes

A controlled experiment plan will be executed.

If we find coded emissions of photons from the eyes, it will change human history.

I will be happy to meet with you regarding the plan.

Note that this program was developed separate from and will be distinct from my UCSD work.

Erik
