I sent this revised Avioneta draft earlier to Alan. Latest revision has updated depreciation. I also gave to Alan DRB Productions return and workpapers. We spent several hours today going over the returns including Avioneta. With regard to the various entities, he has indicated he is in general agreement but wishes to continue to review and discuss with you. I stand ready over the weekend to discuss or add additional information. The BJAV and Avioneta return reporting was based on input from aviation and maritime attorneys and Rick Bronstein of Paul Weiss.
