you can have it today , if you tell me which one you want. . I have an apple guru called scott who can transfer for you , if you want. congratulations on doing so well in school, you have made everyone , especially, me, very proud. , and I hope you have fun in college. fun being as important as grades.

I think I'm going to try to go to the apple store on the 28th or 29th to have them help me convert all my data from my current computer to the new one. Do you think I could get the new computer by then?
