2 PM today. Please send a # to Alan and me.
His lawyers working with Sigrid to assign a date to the deposition
He thinks Pottinger is a lawyer for VR. I said generally he said he wasn't but didn't want to give detail (eg RW)
He has multiple policies, malpractice, bus liability, umbrella, plenty of coverage, 4M per incident on malpractice

That requires a you-me-alan call first since alan is at zero from his insurers equating it to an admission
We need to get him to understand a pathway out of his risky case before speaking with insurance attys
