Jeffrey,

I hope you enjoyed your weekend. I understand all of the concerns you voiced. While at some point I'd like to discuss intracoastal in greater detail because I think I have failed to properly explain it to you, I understand it is not very relevant. I understand that I can't be part of the GP or in any way the face of this business for this to work. I have some people I'd like to introduce you to who would be perfect to be the face and to run the model we discussed. They have impeccable resumes and are very well known in the industry. Please let me know when you have 5 minutes to discuss.

Regards

Ari
