Dear Jeffrey,

I am very sorry I can't be there on the 20th. I will definitely be in nyc the week of april 22 and perhaps one time before that, which I'll let you know about.

Please give Lawrence my regards, I know he is there for the debate at the planetarium that was supposed to be with David Albert.

In case it comes up tell Lawrence he should have insisted on debating David, David is wickedly smart and knows physics well and it would have been a worthy debate.

How are you doing?

Take care,

Lee
