Benny called to further discuss the price and confirmed that he gave the best price for you. He told that a dealer offered him 77k for the stones. He will be very happy to take the stones back, but it is very important for him to keep the friendship and money mean nothing to him. He also told that it is the a big difference in quality and cut between the stones from Sotheby's and his. Also his diamond have a triple X rating. When I mentioned that the certificate is from 2007 he answered that 2007 diamonds were at their highest price, and he bought it later. I asked to send me an email so I can get the information accurate. Benny believes that I am giving you inaccurate information...
