Glad you two had such a grand time! You ought to get out more, Izmo.

Hey,

When I went down there I really didn't know what to expect when I saw you. I was pleasantly surprised at how well you looked, all things considered. This cancer thing seems to agree with you. Never saw you looking better! Keep it up!

I would have posted this on caringbridge but we know my trip there was a covert operation.

Big kiss,  
Pugz!

Man, did you luck out getting out of here!!! You slipped in and slipped out. Only the Dirt Brothers!

Keep on Pushin'

Warren
