Jeffrey, I feel very uncomfortable asking you, especially after some complications with flight search and purchase for my sisters, but I have just received an invitation to join another musical event next Tuesday here in NY and was wondering if there was any chance to change the date of my return flight? I was supposed to leave on Sunday, April 23 and if possible would like to depart either on 26, 27 or 28..
I'm very very sorry about that and feel terrible asking it to you...but hope it's not too much of a hassle...
