Will do, but he's "Wolfram", not casual, or easy. I don't have a phone # or easy access. Also, he told me he's flying around on his plane this week on a speaking and out of touch. He told me he's won't be on email.

PRIVATE: Just saw out mutual friend JS who had lunch with "his creditors, Goldman Sachs". He wants to sell Merriam-Webster and (very confidential please), one of his hotels. I didn't know he owned any, but he does and no one knows (even the people who run them). This one is on a lake in Switzerland.
