Jeffrey, i appreciate your concern. Thank you. I think [REDACTED] is less worldly wise than I was in some ways at her age and I think its better for her to have a little bit more schooling and growth before she can be put into situations that you can help her with. Her boyfriend is looking into an internship for her at Vogue in London right now - which would be great, and clearly when she's out of school that will be her most important placement.
