This is what they sent us. Guess they don't need our help. I wish Dershowitz well. I found it hard to believe "their sources" says she is in Colorado when the entire free world already knows that. Oh well.....

Dear Steve,

Many thanks for the quick response. Our sources indicate that the subject is in Colorado and so there is presently no authorization to commit resources to Florida. IF that changes, we will be back in touch. In the meantime, please send me your bill.

Best regards and thanks,
Kendall

Kendall

Hope you are well.

I have to assume your client does not want to retain our services since it has been a week since we have had any contact.

Should we close our case file and send you a final bill?

Thank you

Steve

Thanks for returning my call today and for your responsiveness. As I mentioned, counsel for your client has authorized you to forward any reports you have on the subject of my client's inquiry. Your client's counsel has also authorized us to separately engage your services on my client 's behalf.

My law firm will guarantee payment for your time today as well as for services we authorize in the future. I will promptly review your request for an advance retainer with my client who has ultimate payment responsibility. Pending his approval, please do not undertake additional investigative services. I am sure he will want to know the hourly rates so if you can let me know that would be helpful.

Good luck with your [REDACTED] - I will be in touch tomorrow.

Best regards, Kendall

Please have someone wire a 10,000 cost retainer so we can start on this matter asap. I will ask to replenish it if and when we get close to this amount
