Yes I called them. You told me you would stay for a while in Paris and thought we would spend time and have fun together. You tell me know that you are going back to the states tomorrow. I was so happy to see you. You told me not to come back from the countryside because you chose to invite margo. Then you tell me to stay in Milan instead of coming back. We never spent a night together. When I arrived there was always someone with you...that's why I was in a funny mood. The presents I gave you were really made with the heart. If there is something you would like that would make you happy just let me know, I'll do anything for you
