The Flap symmetry switch part should arrive tonight by 6pm,. Second shift will install and rig the symmetry switch,.

Return to arrive late tonight estimate 2am,.,return to service by 6am is a guess,

The non-stop Red eye from SFO to Newark departs at 945pm and 1045pm there are no Business class seats available, only middle seats in coach, it's 5+30min flight time, and a 3 hour car ride from Newark to Westfield.,

-My plan is to depart tomorrow at 6am from SFO make connection in Minneapolis and arrive Hartford CT at 5:30pm tomorrow,., we should have GIV in Teterboro by 7:30pm

Do you approve of this schedule?

Thx

Larry
