Sounds good to me. Are you going to convey all of this to David?

I suggest David be the only person in touch with the agent. He should forward the bio and publicity. That should be enough. He can call email her, a letter along with the documents. After !! some time has passed He might ask in another email, if she still feels it absolutely necessary to talk with Ana, that she gives him a list of topics that she might want to discuss. Ana english isn't perfect and it would be a shame to have a misunderstanding on the phone.
