I will be coming in Sunday night. In a bind... my assistant flew in this morning to receive the furniture we bought for the apartment I'm renting.
The "board" of the building hasn't approved yet, so she's sitting there sending the truck back to the warehouse as we wait for approval.
I know you're going to laugh, because I'm so cheap, but I'm wondering if you would mind if she and I crashed at your place until this mess gets sorted out, some time next week.
