

What do you think about taking metformin for anti aging purposes? [The Diabetes Drug That Could Be an Anti-Aging Miracle](#)

The Diabetes Drug That Could Be an Anti-Aging Miracle

By Alissa Fleck

Big Pharma is reluctant to test a cheap, generic diabetes pill that could be the fountain of youth.

Or how about something like Basis? [BASIS By Elysium Health - BASIS Anti Aging Supplement](#)

BASIS By Elysium Health - BASIS Anti Aging Supplement

By Supplement Police

Designed by the world's leading anti-aging researchers and Nobel Prize Winning Scientists. This may just be the ...

I see the conclusions are not definitive but what's the downside?
