You must feel like you are drunk all the time then...:))

Yeah I get your point. Thank you

R u in town this week ??

imagine you are drunk, that's what happens with great sex. making decisions when you are drunk is usually not a good idea. . even if you break with ben , its how to do it, and the details will be important for your future.

I mean im not planning on doing anything within next few days. But I don't think I could last till September. Don't wanna keep lying to Ben for that long. It already is a messed up situation. But yes I def wanna think it all through and don't wanna get too excited.

Hey !! How r u ?!

I have some big news I need to share with you..might even need an advice from you..:please.

So I met this guy, Alfonso 10 months ago..through my boxing trainer. We started hanging out and were just friends, but txtng every day and spending a lot of time together. He is only 24, but pretty mature.

From a really good family in Ecuador. He is super fun. Makes me laugh all the time. Anyway, was never attracted to him. Until recently. Started thinking about having sex w him but didn't wanna ruin our friendship. But of course we ended up in bed. A week ago. First it was just a fun night out and sex. Which was okay. But 2nd...omg we fucked for 1h20. It was mind blowing..and as we were spending even more time together it got kinda out of hand..:

Sexually and emotionally. We checked in to a hotel for 3 nights. First time actually used a whip. For some reason I really wanted him to be rough at times. And enjoyed the pain. I suprised myself. Never really wanted to do that w Ben. Also I finally tried that ice cube thing with blow job. Wow ..he loved it. Also im bruised up all over my body. Feels great :)) And physically can't even fuck anymore. My pussy is just too sorr and swollen.

But we totally fell in love. And first I was like there is no way I would ever leave Ben. Especially now , 9 months before wedding. Even tho haven't started planning anything yet. Beside date and location.

But thinking my life over and my desires and things I want and enjoy..I think Im going to leave Ben. He is this incredible person. But as I said many times, Im just bored w him. No excitement. No suprises. He doesn't get my jokes..and doesn't know how to dance. I always wanted a guy who knows how to grab a woman and Alfonso took me to this salsa spot. Omg it was like from a movie. So fucking hot.

And if I break up w Ben, yeah, the plan is to be w Alfonso but regardless of that. I think I should just get out of this engagement while it's time.

Am I being completely crazy?
