Ok, thank you:) then I will arrange meeting with the owners (today we went there only with broker) and discuss what would be the best way of paying rent. Of course the safest way for me would be to have money with me and pay rent every month. The only thing that sucks is that if I receive a wire transfer of big amount I might need to pay tax of 15% of the amount received from you.... :(

Hi Jeffrey,

So today me and [REDACTED] went to have a look at this apartment and we really like it very very much!! It's in a perfect location and has a bedroom and one more smaller room so that on her free days and weekends [REDACTED] could come back to Vilnius and stay with me.

What do you think??? Do you like it?? Should we confirm with the owners?
