Subject: Tickets on Sale & New Awards and Scholarships Announced

Date: Fri, 10 Feb 2017 17:37:43 +0000

Tickets Now Available for Origins Great Debate

Get your tickets today! Our upcoming Origins Project Great Debate: The Future of Artificial Intelligence - Who's in Control? will feature a remarkable panel, including Eric Horvitz, Jaan Tallinn, and at least one additional surprise guest on stage with Origins Project director Lawrence Krauss.

This event will take place at 7pm on Saturday, February 25, 2017 at ASU Gammage Auditorium. Learn more about this event and announcements about who else will be joining us on the [event page](#). Don't miss it!

Announcing New Award & Scholarship Opportunities

We are pleased to announce new and re-opened award and scholarship opportunities for ASU students, faculty and researchers. The Origins Project provides a variety of unique awards and scholarships to students, scholars and researchers. There are a number of opportunities available that we encourage you to explore, all of which are intended to help foster education, research and collaboration related to our Mission.
