Jeffrey,

I am just confirming that you have no issue with Una's husband, Pete, cleaning the TWA hangar. I sent you an email about this last month but got no response. Pete does it because he works at VIPA and it's difficult to get a cleaning company to do it because Larry does not have a set schedule (i.e. weekly, bi-weekly or monthly) for having it cleaned. It's cleaned on an as-needed basis. Thanks.

With warm regards,
Cecile

Hi Una

The hanger floor is pretty dirty since we were working on the helicopter this past week and repairing the airplane, if your husband has a chance can he clean the hanger floor and also the offices? We had six people working in the hanger I'd appreciate it if you have time this week before my arrival Saturday night
thanks again Larry
