Dear Jeffrey,

here is the phone number of [REDACTED] : + [REDACTED]

[REDACTED] is a smart, sociable and funny (and very cute) artist, and if your goddaughter and her friend are interested, they may give her a call to link up with her. [REDACTED] is currently headed for the Fete de la Musique (an open music festival that takes place in Berlin in many locations simultaneously), and she may show them other places afterwards.

Bests,
