trying to organize the turkish government protests today. it is crazy what is going on there. turkish economy is about to burst and the people are in sad, sad shape. never liked politics all that much but found myself in the middle of this. and it is my birthday today, terrible day to deal with politicians.

i know the 4 weeks-- that has been the case at the vermont service center but they've been improving. let's see what the receipt says.

if we have any problems in this case, it will not be because they put it into the system a day late-- their mailroom received stamp controls.

if we have any problems, it will be because whatever the second officer put into the immigration system regarding her.
