That's no problem. Do you want to send me the NDA? And when is official pub date now?

Yes! We can pass along a copy so long as you're able to sign a NDA.

Just wondering what the current status is of this. Again, would love to get a copy. Should be available now, no?

Hi Michael, so sorry for the delay – I was out of the office until this morning. We'll be publishing the book in August. Would love to set up an interview with you and Jim sometime before then – and I'm happy to share an early copy once we have those available.

Thanks for your interest!

Sabrina, the following crossed my desk this morning and I'm just wondering if there is any change in the status of a book by James Patterson about Epstein. Would appreciate any update you might have. This story sites a fall pub date. Thanks again. Michael Wolff

Hi Michael,

Nicole forwarded me your inquiry re: James Patterson. There's no book on Epstein at this point.

Connolly has been working on an investigation for several years, and since he and Jim are both from Palm Beach they have met. Eventually they might see if there will be enough for a book, but it is too early to tell at this point.

That said, if something does materialize, I'll be sure to let you know. Let me know if you need anything else.

My best,
Sabrina
